

DIPENDRA SINGH

dipendra.bisen01@gmail.com | +91-7860095768 | Pre-Final Year Undergraduate

OBJECTIVE

Motivated and detail-oriented Information Technology undergraduate seeking opportunities to apply strong programming, web development, and machine learning skills in a dynamic professional environment. Committed to continuous learning and delivering impactful technical solutions.

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python
Web Technologies: HTML, CSS, JavaScript, Node.js, Express.js
Libraries & Frameworks: Scikit-learn, Pandas, NumPy
Tools & Platforms: Git, GitHub, VS Code

KEY PROJECTS

Live Hospital Status Tracker Website

- Developed a real-time web application for tracking hospital bed availability and doctor schedules.
- Built using HTML, CSS, JavaScript, Node.js, and Express.js, enabling live status updates.

Spam Email Detection using Machine Learning

- Designed and implemented a classification model to detect spam emails using ML and NLP techniques.
- Utilized Python, Scikit-learn, Pandas, and NumPy for data preprocessing, model training, and evaluation.

EDUCATION

B.Tech in Information Technology 2023 – Present
Dr. APJ Abdul Kalam Technical University | CGPA: 8.0

CBSE – Class XII 2022
Maa Durga Ji Vidyalaya, Jaunpur

CBSE – Class X 2020
Maa Durga Ji Vidyalaya, Jaunpur

ADDITIONAL INFORMATION

Positions of Responsibility

- Technical Coordinator – GeeksForGeeks (GFG): Organized coding events, hackathons, and technical workshops for the student community.

- Coordinator – WIWA (Anchoring Club): Hosted and managed college cultural events, developing strong public speaking and leadership skills.
